|----------------------|
| Control Sheet |
|----------------------|

Each fault you make costs you two points and each missing or bungled translation adds four points to your negative account. Minor errors like unidiomatic solutions or subtle grammar errors result in a one point penalty. Enter the sum of your faults in the following survey. Remember that no one will see this test but you. The only person you can cheat on is yourself.

| Respective Grammar Unit | General Mistakes | Translation Problems | Minor Mistakes |
|--|------------------|----------------------|----------------|
| I. Definite Article | | | |
| II. Number | | | |
| III. Tenses / Irregular Verbs | | | |
